

1st LT. Robert L. Henderson II Amvets Post 130

PO BOX 921 ■ Bowling Green, KY, 42101

Dear Potential Sponsor:

Throughout the 2023-2024 year, the 1st LT. Robert L. Henderson II Amvets Post 130 was once again very successful and determined to persevere through any challenges. Although we fundraise all year long, we still find ourselves asking for help from the community each year. Your support will help alleviate financial stress on individuals and the city of Bowling Green as a whole. Sponsorship and funding covers event fees, meals, Toys for Tots, and other expenses that occur throughout the year. With your help, our post members can continue to develop the community's children to become successful and productive citizens within our community and inspire the future of our military personnel.

If you or your organization can help by donating to our post and cause, please complete the bottom portion of this letter and return it with your check, payable to Amvets Post 130 to the above address no later than August 15th. For a donation of at least \$500, please be sure to email your high-quality logo to our email at AmvetsPost130@gmail.com.

As always, we are happy to show off our sponsorships on our Golf Scramble T-shirts for this year's event on September 28th. We also encourage you to attend our Scramble event or monthly events by going to our website: www.amvetspost130.org to see what we are doing for our community firsthand! We are so grateful for any support you can give us, and we look forward to hearing from you soon.

Thank you for your consideration, and God Bless!

Gerald Mounce - Commander of 1st Lt. Robert L. Henderson II - Amvets Post 130
